WEDNESDAY 30.5.18

Golf

Lyndhurst School visiting

FRIDAY 1.6.18

Dubbo Excursion

Week 3 Term 2

Principal's Message

Dear families,

Welcome to the third week of Term 2. The year is certainly flying. Three of our students will sit NAPLAN this week, but all students' progress is regularly assessed. On Wednesday 23rd May (Wednesday week) **Personalised Learning Plan** meetings will be happening. This is a time to celebrate successes and for everybody to understand where their children are up to and how we can work together to achieve further progress. With your permission, students can be involved in these meetings to help set targets and understand how they can be the best learners.

Athletics Carnival

The weather certainly turned with a vengeance last week for our Athletics Carnival. Mother Nature is 2 nil at the moment, but we hope that the next attempt will be on a sunny day with a cool breeze for us all to enjoy. I know a couple of students who are very very keen to show their talents in this carnival. It WILL happen and we will let you know when soon.

Dubbo Zoo Excursion 1st June

As part of our Science studies on living things, we are visiting Dubbo Zoo for an education lesson. We will be travelling there using a Thrifty Hire Bus (Mr Brill will be driving us) and returning on the XPT train from Dubbo to Blayney. Costs are anticipated to be \$35 per student, but we will get the details out to you all by the end of the week.

Meanwhile, enjoy the last of the warmer weather and enjoying the nice drop of rain we had.

Jokes of the Day (Lachlan and Mrs Stanley)

Karen Brill

Relieving Principal

Q: What did one cap say to the other cap?

A: You stay here, I'll go on ahead

Q: Why did the bird go to the hospital?

A: To get tweetment

Sport shouldn't be banned in schools

Would you want to be that kid who doesn't know how to play sport? So stop reading this book and get your butt outside!

Sport shouldn't be banned in schools because it is in the curriculum and you wouldn't want to be that school that doesn't know how to play sport.

It is not fun sitting in class all day so that is why I think Sport shouldn't be banned in schools.

By Hunter

Goodnight

Children need sleep so they can learn at school.

By Kylah

Sport should be banned in schools

If Sport is banned what would YOU do for holidays? Some people may go to pools BUTYOU don't know how to swim!!

You would NEVER get to the Olympics because you wouldn't know how to do the sport. That is terrible.

You won't learn new skills/games that school can teach you, which means that you will become unhealthy as an adult.

If you are over 29 and inside and reading this on your tablet or phone or computer, GET YOUR FAMILY OUTSIDE NOW!! So your kid (or kids) can maybe one day get in the Olympics! Encourage them at school to be part of all sports.

Sport should NEVER be banned at school.

HERITAGE SCHOOLS EXCURSIONS 2018

Who	Where and When	Subsidised Cost (-33%) (start making payments now if you wish)
Stage Two (3-4)	25th-27th July (Week 1 Term 3) Sydney (The Rocks area, relating to Geography and History syllabus)	\$200 per student
Stage Three (5-6)	13th-17th August (Week 4 Term 3) Gosford (relating to Physical Education, Health and Personal Development curriculum, including resilience and leadership skills)	\$300 per student

As we are such a small school, we encourage every student to attend these excursions to learn how to be part of larger groups and have opportunities to socialise with their peers. Mrs Brill will be attending the K-2 and 3-4 excursions. Life long memories are made at these excursions, as well as skills in independence and team work. We hope that every child attends these excursions.

WINTER WARMER

Bring your lunch wrapped in foil (and clearly named) to be warmed up for a great Winter treat. Available Terms 2 & 3.

Casual Employment Opportunities

School Learning Support Officers "Teachers Aides"

From time to time, we require people to fill in for people that are away, or we need to employ people for a special purpose project. I encourage anybody that might be interested in doing this to see Alison in the Office on Monday, Tuesday or Thursdays. Alison will give you some paperwork to complete. You do need your Working with Children Check, but we can help you out with this too. Each of you have different strengths that you bring to our school community, so please don't be shy if this interests you.
