### From the Principal

Dear Parent and Community

This is our last newsletter for Term 1, but we have a lot to look forward to still. Next Wednesday, we are

hosting our Easter celebrations culminating with an Easter Hat Parade. A big thankyou to Mrs Johnston for organising this.

Details are contained inside our newsletter.

Tomorrow Mrs Johnston and myself are in Orange with Literacy and Numeracy Advisors, developing some improved

English programs that all students will benefit from. we are looking forward to beginning our trials of these units next term. They will be based on quality children's books and are intended to be highly engaging for the children.

Anzac Day will be on in the School Holidays and details for this are also enclosed. We are also hosting a mini-Big Lift Volunteers on the last weekend of school holidays, and we will be asking for assistance with the catering for this.

Wishing you all a lovely time in school holidays. We will see you back on Tuesday as is a Staff Development Day for us at Blayney Public School.

# **FABULOUS** **STUDENT WORK**

Our wonderful students have created some beautiful artwork, self portraits with shields filled in with their favourite things. These master pieces will be displayed in the front foyer proudly if you'd like to check them out. Well done kids.!

For English we have been learning about how to persuade people about something...for fun we designed new uniforms ...

## Why should Mandurama

### Have my uniform

My uniform design SHOULD be chosen as the next uniform because mine includes a warm winter and cool summer design. The two forms of uniform both look smart and are comfortable, at the same time.

First of all, let's talk about my summer design. My summer design includes a mostly Navy blue shirt with white inserts and a red shield with a magpie on the front, ribbon with Aim High, and the same model of M on either side at the tips of the ribbon. On the back is a giant red M, and the shorts are the current pattern, for boys and girls.

Secondly, here is my winter design. My winter design includes a red hooded jumper with one connected pocket and the same shield/ribbon plan as the summer. In the hood is white fur and on the back is a giant white M. With that, there is also a choice of either navy blue jeans or navy blue pants.

Therefore, that is why I believe my uniform should be chosen as Mandurama P.S's next best thing! 😊

Created by Sophie Peters

## My Uniform

We should have my school uniform at Mandurama Public School because we are the Mandurama Magpies and our uniform looks like a magpie. I like the school uniform because it is very warm and swirly and very soft like this puppy.

Last week, Our lucky students were delighted with a visit from Di Watsford our local WIRES hero and her native friends. She brought along 2 Eastern Joey's, A baby Night jar, A Ringtail possum and Crested Dove. Along with the entertainment provided by the very cute and inquisitive native animals, Di educated the students about the common causes wildlife end up in care , the types of food and shelter they would need for survival and the rehabilitation process, so that these animals can successfully be released back in the bush. Afterwards the students had a pat and cuddle. Thank you Di for your time educating the kids and your effort in helping out our local wildlife.

For injured or sick animals you can call Di on 0414324627.
