## Newsletter Term 4, week 6

Dear Parents and community

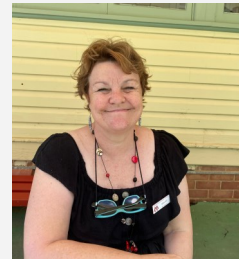

After almost 130 years of operation, our small school, at this moment of writing is not expected to operate in 2022.

It has been decided that our anticipated school enrolment numbers are too low to sustain our school for 2022, which has been very sad news for us all. While our school is not officially closing, next year there will be no students or staff on site. The school will be going into what is known as recess. This means that our school could be reopened if a need was demonstrated, but otherwise will not be operational. Future decisions to close or extend the school in recess will be an ongoing decision.

We thank the many supportive community members that we have spoken to about our school, but sadly, without enrolment numbers we can no longer operate. We will be planning something to end the year on which we will also include our community (COVID willing) so keep your ears and eyes open.

Meanwhile we continue to teach and provide a positive and caring school for our students and families.

Mrs Brill

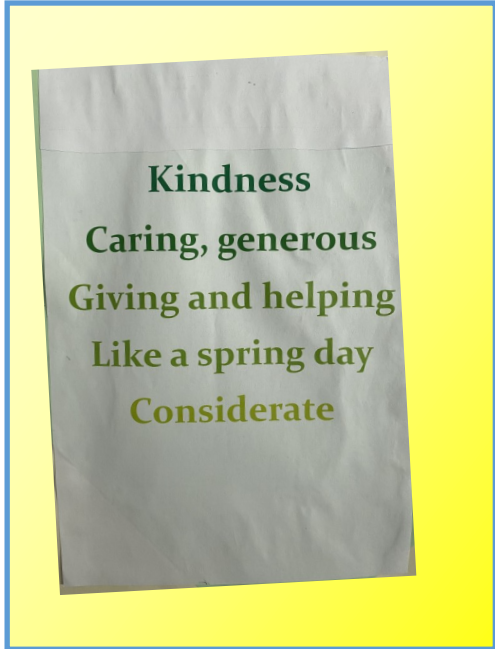

## Student of the week

### Chelsea Allaway

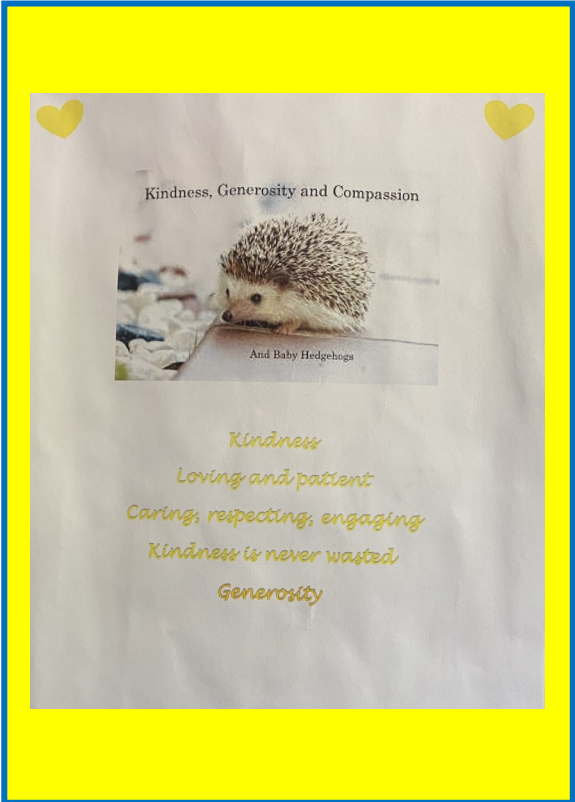

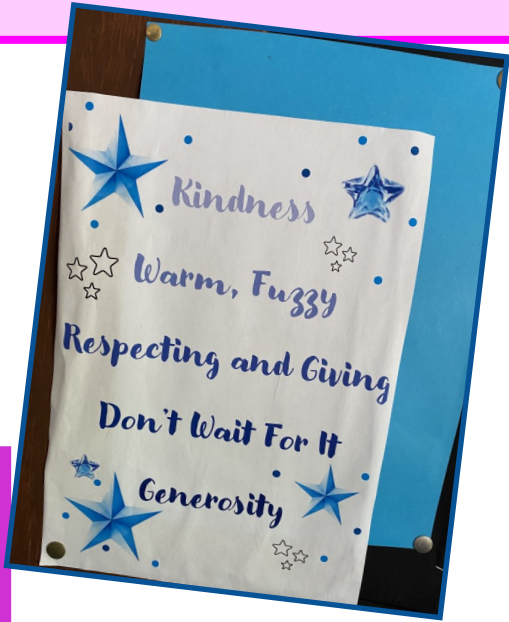

For excellence in mathematics

# Student Work

Cinquain Poem  
This week students have enjoyed learning how to write a cinquain poem.

# HALLOWEEN

Last Friday we enjoyed activities about Halloween. We cooked "Dead Mans Fingers" for lunch and decorated the BER for a **SPOOKY** movie.

MRS BROWETT BECAME PROFESSOR  
BROWETT

### **NSW School Updates app**

The NSW School Updates app allows parents and carers to receive operational status updates for NSW Public Schools.

We are encouraging parents and carers to download the free app on their phone so they can keep up to date with the latest status of their child's/ children's School

The app is available on both  
iOS & Android

## **Cyber safety resources**

Staying connected online is important now that many of us are physically isolated from family members, friends and support networks.

To support schools as they continue with learning from home, the department's website has information on [cyber bullying](#) and [cyber safe families](#), as well as [what to do if your child is experiencing cyberbullying](#) and [bullying](#).

The Office of the eSafety Commissioner has developed a range of tips and resources to help school leaders create safe online environments: [COVID-19: keeping schools and learning safe online](#). There is also an online safety kit for parents and carers: [COVID-19: an online safety kit for parents and carers](#).

For all information visit the Website - <http://t.mail.education.nsw.gov.au>
